Positions and Employment

Director/ Clinical Research, Justin Parker Neurological Institute; Boulder, CO
2008 - present

Director/ Clinical Research, Boulder Neurological Associates; Boulder, CO
2007 - present

Research Associate, Boulder Community Hospital; Boulder, CO
2003 - 2007

IOM, Clinical Neurophysiology, TCD, Surgical Monitoring Services; Cockeysville, MD
2002 - 2003

Clinical Neurophysiologist/MD, Vilnius University Emergency Hospital, Vilnius, Lithuania
1990 - 1999

Clinical Neurophysiologist/MD, Child Development Center of Vilnius University, Vilnius,
Lithuania
1996 - 1999

Psychiatrist/MD, Vilnius University Substance Abuse Treatment Center, Vilnius, Lithuania
1988 - 1990

Education

MD: Vilnius University, Vilnius, Lithuania
1980 - 1986

Residency/ Psychiatry: Vilnius University, Vilnius, Lithuania
1986 - 1988

Fellowship/Clinical Neurophysiology: Kaunas University of Medicine, Kaunas, Lithuania
1990

Fellowship/Clinical Neurophysiology: Institute of Higher Nervous Activity and Neurophysiology
of the Russian Academy of Sciences, Moscow, Russia
1991

Awards

Winner of the Best Presentation Award in the intracranial and spine section - The 5th Annual CyberKnife Users' Meeting, January 2006, Carlsbad, CA

Winner of the BrainLab National Award for Best Community Neurosurgeon Paper. AANS 76th Annual Meeting. Chicago, Illinois. April 26-May 1, 2008.

83. Villavicencio AT, Burneikiene S, Babuska JM, Ashton A, Busch E, Nelson EL. Prospective Randomized Clinical Study Evaluating the Correlation of Clinical Outcomes and Cervical Sagittal Alignment. 2009 CNS Annual Meeting, October 24 - 29, 2009, New Orleans, Louisiana.
84. Villavicencio AT, Nelson EL, Babuska JM, Mason A, Burneikiene S. Preliminary Clinical Experience Using a Minimally Invasive Spinous Process Fusion Plate. 2009 CNS Annual Meeting, October 24 - 29, 2009, New Orleans, Louisiana.
85. Villavicencio AT, Burneikiene S, Nelson EL, Babuska MJ, Ashton A, Busch E, Mason A. Correlation of Clinical Outcomes and Cervical Sagittal Alignment: A Prospective Randomized Clinical Study. 24th Annual NASS Meeting, November 10 – 14, 2009, San Francisco, California.

Research Experience

1. Clinical Outcome Correlation with Serum, CSF, Brain Extracellular Magnesium and other Biochemical Markers Following Traumatic Brain Injury and Intracranial Hemorrhage. Sponsor s- Colorado Department of Human Services, Nova Biomedical, Microdialysis, Justin Parker Neurosurgical Research Foundation, Boulder Neurosurgical Associates. 2005 – 2007.
2. Restoration of Segmental Lordosis and Clinical Outcome in Anterior Cervical Fusion Patients. Sponsor – Boulder Neurosurgical Associates, 2004 – 2009.

3. Prospective Randomized Clinical Study Evaluating the Use of Perioperative Antibiotics in Neurosurgery. Sponsor – Boulder Neurosurgical Associates, 2004 – 2006.
4. Prospective, Randomized Controlled Clinical Investigation of MAVERICK™ Total Disc Replacement in Patients with Degenerative Disc Disease. Sponsor – Medtronic Sofamor Danek. (2004 – Present).
5. Normal Pressure Hydrocephalus (NPH) Registry. Managed by AANS, Neuro-Knowledge and Outcome; Sponsored by Codman and Shurtleff, Inc. 2005 - 2008.
6. Pivotal IDE Study of the Wallis Mechanical Normalization System. Sponsor – Spinal Concepts, Inc., 2005 - Present.
7. Multicenter, Prospective, Randomized, Controlled Study to Compare Balloon Kyphoplasty to Non-Surgical Fracture Management in the Treatment of Painful, Vertebral Body Compression Fractures in Cancer Patients. Sponsor – Kyphon, Inc. (February, 2006 – 2008)
8. Prospective, Multi-center, Randomized, Active-Controlled Study of the Wallis® System for the Treatment of Mild to Moderate Degenerative Disc Disease of the Lumbar Spine. Sponsor – Abbott Spine. (2007 – Present).
9. Clinical Trial Comparing the Advent Cervical Disc to Anterior Cervical Discectomy and Fusion (ACDF) for the Treatment of One Level Degenerative Disc Disease, Sponsor – Blackstone Medical (2008 – present)
10. An Exploratory Phase 2 Study Evaluating the Efficacy and Safety of Fibrin Sealant, Vapor Heated, Solvent/Detergent Treated (FS VH S/D) 500 S-APR for the Sealing of Dura Defect Sutures in Posterior Fossa Surgery, Sponsor – Baxter BioScience (2009 – present)
